

Ponteland Parish Virtual Flower Show 2020

Rules and Class List

Because of the restrictions, our Show this year will be using photographs of entries.

Judging will be based on the quality of the entry, not the photo (except in the Photography classes) but judges will need to see the detail of the entry clearly and in a good light. Judges will make the best decision possible in the circumstances and their decision is final.

Entries are open to residents of Ponteland and the adjoining parishes of Heddon upon the Wall, Stamfordham, Belsay, Whalton, Stannington, Dinnington and Woosington, to children attending schools and to members of organisations meeting in these parishes.

Photos of your entries should be emailed as attachments to entries@pontelandflowershow.co.uk by **5th September 2020**. Please include a list of the classes you're entering in the email. Your entry should be accompanied by your name and contact information. This information will only be used for the Show.

Digital editing should not be used except in the photography classes.

Only one entry per class is allowed except in photography.

Exhibits must be the work of the exhibitor and photos must have been taken in 2020.

There are no entry fees. There will be no prize money or trophies but all entries and winners will be on our website www.pontelandflowershow.co.uk after the judging is complete.
